

# Newcastle Park Commemorative Brick Campaign

The Arcadia Parks Foundation is assisting in the renovation of Newcastle Park through a commemorative brick campaign fundraiser. This is your chance to be part of Arcadia history while directly supporting the renovation of one of our precious parks.

You can personalize an engraved brick to be laid at the entrance or walkway to the newly renovated park with a fun train-themed playground, amazing new sports facilities, and preservation of open green space. There are many options to choose from, whether you want to personalize it with your names or family names, with the name of your business, in honor of a loved one, or to share a word of encouragement or a favorite quote. Your support for this project will be permanently displayed at Newcastle, for generations to come.
